### Barnham Remembrance Day:
10.30 am laying of the wreaths at the War Memorial
10.50 am Service in the church with the 2 mins silence at 11am.
6pm Gather in the church for a candlelit procession to walk down Church Lane via Water and Mill Lanes to the school field via the Village Hall. Please bring lanterns/ candles in jam jars etc. to light your way. The beacon will be lit at 7pm together with beacons throughout the country to mark the ending of World War 1. Barnham School cook is providing a BBQ and tea and cakes will also be on sale.
As in all our villages much preparation has been taking place for this weekend with approximately 4000 poppies knitted in Barnham and many more in Euston and Fakenham. A Walk of Remembrance for those local men who sacrificed their lives will be marked by a cross at the approximate site where those who were killed lived. Maps will be available in the church on the book case, which is open all day, or from Sue Nutt 890409/Sarah Rush 890095/Olive Deeley 890586 or Barnham School.
As well as our villages many others will have decorated profusely too. It will be worth your while driving down the 1088 to see Fakenham Church outside. Ixworth, Woolpit, Walsha and St Cuthbert’s, Thetford churches (all open during the day) will be good to visit and many more not to forget the excellent World War 1 Trail in Bury St Edmunds. The trail features 18 pieces of World War 1 related art, created by local artists which will be on display across the town centre until Armistice Day. The trail is in aid of the Every Heart Matters appeal. Maps are available from the Tourist Office (next to the Cathedral shop).
Although this year we commemorate the ending of the First Work War, we remember also those who sacrificed their lives since then too. Barnham now has an official war grave for Reginald Johns and his grave can be found by following the map displayed in the church porch.

### Poppy Appeal:
There will be a street collection in Barnham and Euston which will start on October 25th. We hope you will buy poppies when they come to you rather than in local shops. Last year £948 was raised in the 2 villages. Please contact Sarah on 890095 if you are able to help collect.

### Euston WW1 Centenary Commemoration Event:
Immediately following the Remembrance Sunday Service at St Genevieve’s Church, parishioners are invited to join us walking a trail of the homes where the WW1 fallen lived immediately before they left to fight in the war. We also have some basic information about their jobs and families that they left, so you can read a little about them and have some

The annual Barnham Candlelit Christingle service is on Sunday 2 December at 3.30 pm
time to reflect on the poignancy of the day - at the actual homes of the people who died from our village. On completion of the trail, we will light our beacon in the park.

If you would like to come with us on the trail, but would have difficulty walking the route, please contact us as we are arranging cars. Gordon Sadler, 4 Barnham Road, Euston. 01842 766021. gordysadler@gmail.com

From Barnham Primary School: We have had the most wonderful first half term of this academic year, where children have enjoyed performing songs, poems and readings in the church for our Harvest Festival. We are truly blessed to be part of such a wonderful community, and are very much looking forward to being part of the acts of remembrance in the village on Sunday 11th November; where a candlelit procession from the church will lead to the back field of school for the lighting of the beacon and BBQ refreshments available. This will be a wonderful culmination of our learning around the centenary of the armistice.

We were delighted to be able to support the village hall by donating our share of the proceeds from village fete (usually around £1,100) to the car parking works that are taking place over half term. Whilst, we are unable to make any donations from our stretched school budget, we were able to offer to not receive the funds from the fete, as we know that the car park is used and greatly needed by parents dropping and collecting from school.

Thank you for your continued support of our happy, thriving Primary School.

Warm wishes
Amy Arnold

From Euston Estate:
Hello all from Euston Farm
We had an exciting trip out in early October when I took the Honington and Sapiston WI to the sugarbeet factory in Bury St Edmunds. The ladies were very impressed with the workings of the factory, especially the tiny amount of waste created. All of the sugarbeet is processed for sugar and then the left over pulp goes to its anaerobic digester that produces power for the factory and Bury St Edmunds too.

While writing this newsletter we are harvesting sugarbeet on the farm. Yield is low currently, due to the dry summer however the sugar percentage is high. 19% sugar would be a top rate and we are currently harvesting at 18.6%, which is really pleasing. Our budgeted yield is 70 tons a hectare but the first 3 fields have averaged at only 46 tons a hectare.

We are hoping that things will improve as we give them more time to grow.

See you all next month
Matthew
